

Welcome, Malcolm!

Malcolm is our new staff member. *

He decided to work with us when his owner, one of our long time staff members, passed away.

If you see him, he loves to be petted and purrs quite loudly.

Please don't let him outside, no matter what he tells you!

***Because the library is such a large open space, the chance of an allergic reaction is slim. However, you may request Malcolm be kept in the staff room while you are in the library.**
