

Author Wilbur A. Smith

January 9, 1933 - November 13, 2021

It is with sadness that we have lost another author this year. Wilbur Addison Smith was a Zambian-born South African novelist specializing in historical fiction about international involvement in Southern Africa across four centuries, seen from the viewpoints of both black and white families. South Haven Memorial Library has many of Wilbur's books available. Below are some of his books in our collection. Check them out.
